The Links, Incorporated, established in 1946, is a premier international service organization with over 15,000 members in 288 chapters in 41 states, the District of Columbia, the Commonwealth of The Bahamas, and Great Britain. Through collaboration with partners, sponsors and supporters, The Links, Incorporated develops and delivers transformational programming; impacting lives in communities of color. The Links Foundation, Incorporated, the philanthropic arm of The Links, Incorporated, has distributed more than \$26 million in charitable contributions since its founding in 1979.

The Treasure Coast (FL) Chapter of The Links, Incorporated, chartered in 1976, is an assembly of professional women with a broad reach throughout the Treasure Coast. Our efforts in Martin, Indian River, and St. Lucie Counties incorporate large-scale community engagement through civic, healthcare and educational programs.

This annual event promotes the initiatives of The Links Foundation, Incorporated by providing funds to allow us to continue our community education programs and to award yearly scholarships to outstanding students of the Treasure Coast. The Treasure Coast (FL) Chapter of The Links, Incorporated has distributed more than \$200,000.00 in scholarships to students in Indian, St. Lucie and Martin Counties.

Our Chapter members have volunteered over 3500 service hours annually and dedicate themselves to the promotion of programs that have a positive impact on students, parents, and families. We offer many of these programs in partnership with the following service and civic organizations:
